Building Green

Saving Our World...

Excelling beyond Recycling & Reusing, Parkland Plastics was founded on the principles of Building Green. PLAS-TEX® is our proprietary technology for converting post-industrial scrap into USDA accepted American manufactured goods. It is the first and only plastic sheet made of 100% recycled resins. Every time one of our satisfied customers purchases a sheet of PolyWall, they are saving about 10-lbs. of non-biodegradable plastic from landfills.

PLAS-TEX®
PolyWall

- ▲ Dimensions - .060" x 4' x 8', 10'
- ▲ Lightly matted texture - hides scratches, anti-skid
- ▲ Bright white color, low gloss - matches any decor
- ▲ USDA/CFIA compliant - sanitary and hygienic

PLAS-TEX® is...

Acid PROOF	Mildew PROOF
Bacteria PROOF	Moisture PROOF
Browning PROOF	Mold PROOF
Chemical PROOF	Oil PROOF
Chip PROOF	Rot PROOF
Crack PROOF	Rust PROOF
Detergent PROOF	Salt PROOF
Erosion PROOF	Shatter PROOF
Insect PROOF	Shock PROOF
Iodide PROOF	Stain PROOF
Juice PROOF	Urine PROOF
Leak PROOF	Water PROOF

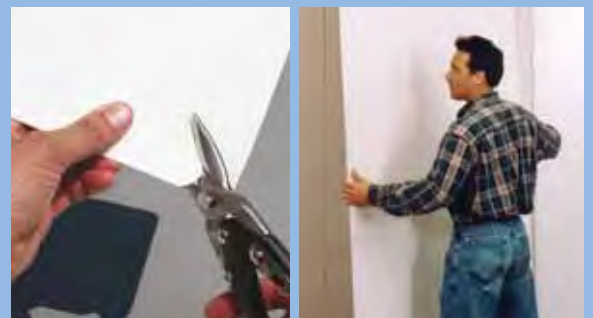

Convenient to purchase today! Roll up sheet into coil, load in any vehicle. No memory when laid out flat.

 Streaming video installation instructions online.
